Subject: Budget Detail for MDS 33

Dear Dennis and Chris,

I am attaching for your review the budget details that have been received from MDS regarding the Sample Analysis and Data Reporting for the Total Exposure Study.

The first document is the budget upon which Hans awarded MDS this project. The second document is supplemental detail to that budget that I anticipated Finance/Purchasing would want to see (non pass-through items). Please note that it has two tabs (cost breakdown and hourly breakdown).

Please review as quickly as possible, preferably by Friday, November 8th, and let me know if there are any questions.

Thanks,
Loreen
